

# EARN YOUR CERTIFIED THERAPIST FOR ADOLESCENTS WITH PROBLEMATIC SEXUAL BEHAVIOR (CTAPSB) CREDENTIALS

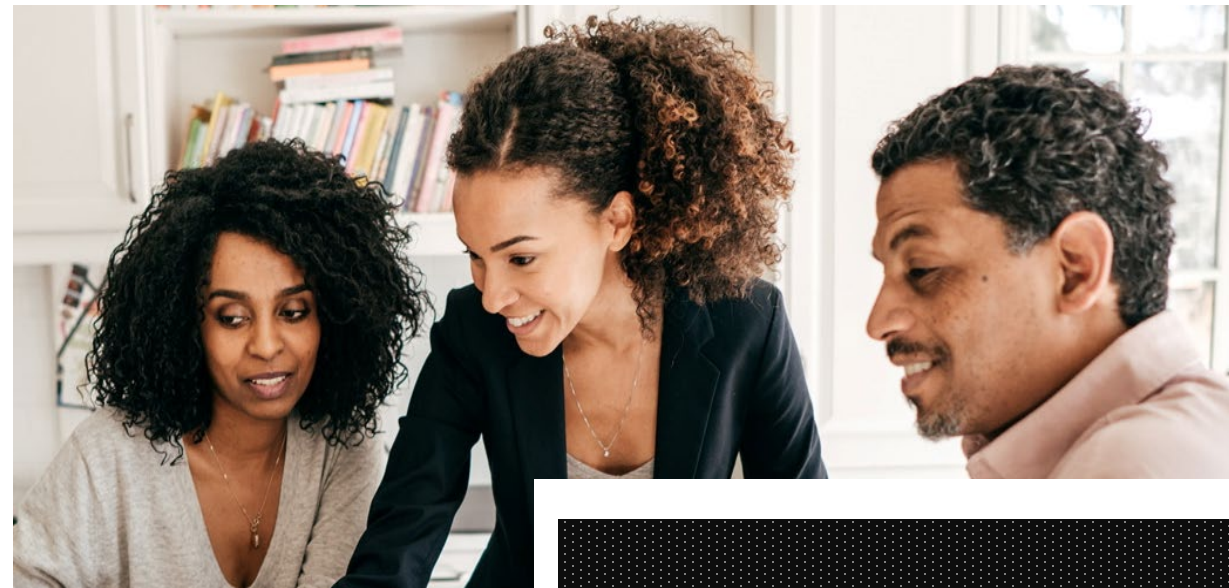

July 11- 15, 2022 Bryant Conference Center, Tuscaloosa, AL

Two Training Packages Available with cost between \$500-1100 to accommodate every qualified professional!

Master's degree or above required. Licensed or license-eligible for Independent Practice in Alabama.

(or supervised by someone who already works with this population)

Until now, practitioners across Alabama had to leave the state to get training and certification to work with youth who have illegal sexual behaviors.

Through the University of Alabama's School of Social Work and the Youth Services Institute, Alabama-based therapists can now earn up to 30 CEUs, including CTAPSB certification and 12 months of consultation with leading professionals in the field.

In this training event, practitioners will partner with researchers and attorneys to cover a vast array of topics, including psychoeducational and treatment groups, utilization of needs assessment instruments, family involvement, treatment planning, and federal and state laws guiding treatment practices with this population.
