Legal and Ethical Issues in Behavioral Health: Clinical Practices & Considerations

MAO
Behavioral Health

Thursday, June 9, 2022

8:45 AM - 4 PM

Montgomery County Health Department
3060 Mobile Hwy, 2nd Floor Auditorium
Montgomery, AL 36108

General Training Objectives:

At the conclusion of this training, participants will be able to:

- Provide updates from the Alabama Board of Examiners in Counseling (ABEC) on clinical and ethical practice issues that have impacted Alabama therapists in the last 24 months
- Explain the ADA perspective on the use of service animals in clinical practice and community workplace settings
- Discuss the legal impact of protected health information breaches when working with people who are diagnosed with sexually transmitted infections and other communicable diseases
- Discuss ethical and cultural considerations for substance abuse professionals in treatment settings
- Provide recent updates on common ethical issues and service coordination identified by the Alabama State Board of Social Work Examiners.

ABEC Considerations: Ethical Trends in the Counseling Profession

Cindy Edgar, Assistant Director, Alabama Board of Examiners in Counseling

Legal & ADA Considerations: Service Animals in Clinical Settings
